## Senior Service Cord Application 2023-2024

Name: \_\_\_\_\_

Choose the statement that best describes you and your experience with BHS Key Club:

- I have been a member of the BHS Key Club in the past.
- This is my first year being in the BHS Key Club

Buford High School Key Club members are eligible to receive a cord at graduation if they complete the required service hours for at least 2 years of membership, meaning 70 service hours. One of those years must be your senior year.

This can be achieved in one of two ways:

- Join BHS Key Club as a senior with at least one prior year of membership and accumulate at least 70 hours of community service. Thirty-five of those hours during their senior year of membership and at least 35 accumulated from prior years of Key Club membership. These hours must all be documented by May 3, 2024.
- Become a BHS Key Club member for the first time as a senior and document 70 hours of community service by May 3, 2024

I understand that to earn a service cord at graduation, I must complete one of the two options above.
